To apply for a Temporary Use Permit the property owner or his/her designated agent must complete a Temporary Use Permit application and submit the application to the County Planning and Zoning Division at 2351 W. 26th Street. If an agent is representing the owner, a power of attorney form must be submitted with the application.

2. Fees

A non-refundable fee is required at the time the application is submitted. The fee is \$355.00 for each request.

3. Scaled Site Plan

A site plan must be submitted with the application. The application will not be accepted without the site plan, and the site plan must be drawn to scale, showing all pertinent information.

4. Review of Permit

The review period normally takes a minimum of one (1) week, which includes review of the application by the Environmental Health Section and Planning & Zoning Division. The case planner will take a copy of the application with a cover memorandum attached to it to the Environmental Health Manager. The cover memo will request a review of the application by the Environmental Health Manager within five (5) days.

5. Notification of Applicant

After review of the application is complete, the case planner will notify the applicant in writing that the permit has been either approved or denied. The application and a copy of the approval/denial letter will be placed in the parcel file folder. The case planner will also send a copy of the approval/denial letter to Zoning Enforcement Section if the application is the result of zoning enforcement action.

6. Expiration of permit.
